

Energy to Care Social Media Toolkit

Congratulations on your achievement — earning this award is truly a testament to your dedication to sustainability! The following posts are crafted to highlight each award's unique aspects and the achievements of the recipients in health care sustainability and energy efficiency.

Adapt them to **include your organization's name or match your organization's specific accomplishments and branding**. Alternatively, post them as is.

We encourage social posts to “tag” ASHE and include the #EnergytoCareAwards hashtag so we can react and share the love. Keep an eye out for ASHE's press release announcing award winners or adapt your own from the sample press release provided in this toolkit.
